Employment Opportunity- Regional Community Garden Workers

8-10 weeks

SLDA is seeking workers for construction and improvements to the regional community garden project. Work is expected to begin by May or as soon as weather and soil conditions permit. The work includes improvements to the existing garden, improvements to garden access, garden expansion, and construction of a number of raised garden boxes.

Experience in gardening, use of various tools and equipment, and some carpentry skills are assets.

Pay rate: Lead hand \$26/hour; Workers \$24/hour.

Workers are responsible for suitable clothing and gear for outdoor work and travel to the worksite.

A lead hand will be determined during the hiring process.

Apply by resume or letter of application.
