

Medical Transportation Assistance Program (MTAP)

Things to KNOW before you Go

- Be sure to get a confirmation of your appointment while you are at your appointment. If an escort is required, be sure the confirmation indicates that an escort is required.
- Keep your ferry receipts OR airline ticket/s & itinerary be sure to have them issued in the name of patient or escort.
- Keep documentation if there are delays or cancellations while you travel.
- Keep your accommodation receipts. MTAP will reimburse up to \$150 per night for eligible travel with receipts. No receipts are needed to claim \$25 per night in private accommodations.
- Reimbursement for meals and mileage is calculated automatically for MTAP.
- \$80 airline vouchers are available for travel between Blanc Sablon and St. Anthony from the Labrador South Health Centre.
- MTAP provides a partial pre-payment of economy airline fares.
- And again, be sure to get a confirmation of your appointment while you are at your appointment. If an escort is required be sure the confirmation indicates that an escort is required.

Effective April 1, 2024:

- The anniversary date used to calculate a patient's travel deductible and assistance rate in a 12-month period will be set permanently as April 1 with an end date of March 31 for all program users.

Complete information on MTAP, including how the program works, eligibility criteria, claim and application forms and document requirements, recent changes and allowable expenses can all be found in the handy brochure found at the following link, [Travelling-for-Medical-Services-Brochure-or-or-after-December-1-2023.pdf \(gov.nl.ca\)](#)

Links to all applicable claim and application forms including purchased registered and private accommodations, private vehicle usage, partial pre-payment of economy airfare and direct deposit are also outlined in the following link, [Medical Transportation Assistance - Labrador Affairs \(gov.nl.ca\)](#)

The SLDA Seniors Services Office is available to help seniors with the MTAP application. Please call (709) 931 2675 for an appointment.
