Season's Greetings from

Southern Labrador Development Association (SLDA)

As the holiday season approaches, the staff and directors of the Southern Labrador Development Association extend our heartfelt wishes for a joyful Christmas and a bright New Year.

Thank you for your continued support in helping us grow social and economic opportunities across the Labrador Straits.

Your generosity fuels vital work like our Senior Services Office, the Labrador Pioneer Footpath, the Regional Community Garden and our **newest** project,

the Regional Network of Community and Economic Services initiative.

We're grateful to live and work in this beautiful region – and to share this journey with you.

Warmest wishes, The SLDA Team
